Statement of Purpose

The New Mexico Mining Association is a trade association organized in 1939 and incorporated in 1968. Its membership is composed of: (a) companies that explore for, produce and refine metals, coal and industrial minerals and (b) companies that manufacture and distribute mining and mineral processing equipment and supplies and individuals engaged in these various phases of the mineral industry.

The New Mexico Mining Association serves as a spokesman for the mining industry in New Mexico. It works in cooperation with other state mining associations and the National Mining Association, keeping the industry informed on pending legislation and promulgating constructive programs and action that will adequately recognize and serve mining’s special problems and needs. It serves the industry on a wide range of subjects, such as taxation, environmental quality, public lands, health and safety and education through the expertise of its members and member companies.

OBJECTIVES:
The objectives of the New Mexico Mining Association are:
(a) To advance the mineral resources and related industries:
(b) To cooperate with the educational institutions by lending support to and encouraging interest in, mineral resource education through such means as are available to the Association:
(c) To cooperate with other industries and trade associations on matters of mutual concern:
(d) To acquire and disseminate information on mining and mineral resources to all segments of the population:
(e) To advise and counsel the membership relative to developments and trends within the mineral resource industries and within the various legislative bodies, national and state, which affect their welfare; and
(f) To plan and program such meetings as may be feasible and of benefit to the membership and the mineral resource and related industries.

INCOME AND BUDGET:
The Association’s annual income and budget are planned to equal each other. The 2013 operating budget is approximately $150,000. The budget is financed through individual, associate and operator member dues and contributions.

STRUCTURE AND MANAGEMENT
The Association is governed by a Board of Directors comprised of executives from companies and individuals engaged in all segments of the mining industry. The Board establishes policies and approves the various programs and activities of the Association.

The management of the Association is controlled by the President and a Board of Directors elected annually from the membership of the Association. The daily administration of the Association’s activities is under the supervision of the Executive Director appointed by the Board of Directors annually.

The Association president and vice-president, directors, committee chairmen and members serve without compensation.
OFFICERS
President                                Mitch Knapton, Peabody Energy,
Vice-President                       Don Purvis, Mosaic Company, Carlsbad
Imm. Past President               Hank McCabe, Chevron Mining, McKinley
Executive Director                Mike Bowen

LIFE TIME MEMBERS
John T. Atkins, Farmington, New Mexico (Utah International, Inc.)
C. E. McKinney, Gallup, New Mexico (Pittsburg & Midway Coal)
Billy Stevens, Albuquerque, New Mexico, (Kerr-McGee Nuclear Corp.)
Frank Weidner, El Paso, Texas, (Contractors Equipment)

HONORARY BOARD MEMBERS
T. M. Cramer, U. S. Borax & Chemical
F. O. Davis, Potash Company of America
T. O. Evans, A.T. & S. F
Frank Kottlowski, (deceased), NM Bureau of Mines
D. P. Milovich, Phelps Dodge Mining Company
W. P. Morris, Duval Sulphur & Potash Company
K. D. Pauling, (deceased), Lee Ranch Coal Co.
Jack Rust, Rust Tractor
Dave Shoemaker, Molycorp, Inc.
E. A. Slover, Kennecott Copper Corp.
J. H. Taylor, Peru Mining Co.
A. J. Thompson, NM School of Mines
J. E. Tong, Duval Sulphur & Potash

Intrepid Potash, LLC, February 6, 2013
The Doc Weiler/Marvin Watts Award for Professionalism

H.J. “Doc” Weiler/Marvin Watts were two of the most popular and respected lobbyists ever to walk the halls of the State Capitol. They used their exemplary knowledge of the governmental process to become two of the strongest advocates for New Mexico’s mining industry. Their dedication to mining extended beyond the interests of their clients and benefited the New Mexico Mining Association and Industry as a whole. The one thing that Doc and Marvin were best known for was professionalism.

In honor of these two fine gentlemen, the New Mexico Mining Association in 2005 established the Doc Weiler/Marvin Watts Award for Professionalism. The award is to be given each year the Association’s Annual Legislative Reception and Dinner to any individual member of the NMMA, governmental employee, or lobbyist who has developed a strong and widely respected reputation as an advocate for New Mexico’s mining industry. The recipient must have demonstrated a commitment to issues important to New Mexico’s mining industry over an extended period of time.

The first award was presented in 2006. Following are the recipients to date:

2006 Joe Menapace
2007 Leroy Apodaca
2008 David Abby
2009 Robert “Bob” Darnell
2010 Dr. Dan H. Lopez
2011 Carolyn Clark Loder
2012 Dal Mollenberg
2013 Jon Indall, Esq.
2014 Tom Rutherford
2015 Anthony (T.J.) Trujillo
The Senator Ben D. Altamirano Award for Legislative Excellence

Senator Ben D. Altamirano was elected as a Senator in the New Mexico Legislature in 1971 and served in this capacity for more than three decades until his death in 2007. During his tenure, he held key leadership positions, including State Senate President Pro Tempore, and served on numerous legislative committees. His service to the State of New Mexico was exceptional, and his dedication to issues important to New Mexico’s mining industry was a constant.

In honor of Senator Altamirano and his commitment to public service and the mining industry, the New Mexico Mining Association in 2005 established the Senator Ben D. Altamirano Award for Legislative Excellence. The award is to be given each year at the Association’s Annual Legislative Reception and Dinner to an outstanding elected official who has made significant contributions to New Mexico and its mining industry. Because this award is intended for outstanding public service and dedication to the mining industry over an extended period, this award is given to a qualified elected official only once in a lifetime.

The first award was given in 2006 and the recipient was of course Senator Ben D. Altamirano. Following are the recipients to date:

2007 Senator Joe Fidel
2008 Senator Carlos Cisneros
2009 State Representative John A. Heaton
2010 Senator Richard Martinez
2011 Senator Clinton Harden, Jr.
2012 Senator David Ulibarri
2013 Representative Henry “Kiki” Saavedra
2014 Senator John Arthur Smith
2015 State Representative Candy Spence Ezzell

Attn: Scott Reynolds, sreynolds@arscompanies.com
Derek Garben, VP of Operations, dgarben@arscompanies.com
Jared Glardon, Senior Area Manager, jglardon@arscompanies.com

Description of Services: The ARS Companies is a privately held consortium consisting of six separately managed lines of business. The six lines consist of: SRS/Soils & recycling Services; HES/Hydro Environmental Services; SNS/Sustainable Network Services, PDA/Land Development Services; SGS/Sand and Gravel Services, PDI/Performance Dynamics Internal. These six lines of business all maintain a safety program with a zero accident – zero incident goal. Creating a safe work environment for ARS workers and the public is priority one.
The ARS Companies belongs to various local and national affiliations, among them the USGBC – United States Green building Council; AGC – Associated General Contractors Association; CCA – Colorado Contractors Association, and CAPA – The Colorado Asphalt Producers Association and the Colorado Mining Association.
All six companies are LEED – Leadership in Energy and Environmental Design driven with an emphasis on contributing sustainable services and products for the environment. The overall philosophy of the ARS Companies is to create and leave a footprint that contributes to a long term legacy for future pioneers to follow.

Jeffrey Wechsler

Description of Services: Montgomery & Andrews, P.A. was founded in 1937 in Santa Fe. The firm has operated continuously since that date and has grown into a full service civil law firm. An important recognition of the firm’s high standards has been the number of appointments of its lawyers to the U. S. Circuit Court of Appeals for the Tenth Circuit, the U. S. District Court for the District of New Mexico, and the New Mexico Supreme Court. In addition, nine of its attorneys are listed in the 2007-2008 edition of The Best Lawyers in America. Long-term representation of corporate and institutional clients in the areas of mining, oil and gas, environmental law, legislative lobbying, insurance, banking, public utilities and health care is the cornerstone of the firm’s practice. Representative clients include: Molycorp, LAC Minerals (USA), Inc., Freeport-McMoRan Copper & Gold, United Nuclear Corp., Haborlite Corp. and Lafarge North American, Inc. BYLAWS
Of the
NEW MEXICO MINING ASSOCIATION

ARTICLE I
NAME

Section 1. The Association is to be known as the NEW MEXICO MINING ASSOCIATION.

ARTICLE II
OBJECTIVES

Section 1. The NEW MEXICO MINING ASSOCIATION is organized to promote the general welfare of the mineral industries of New Mexico; and to receive gifts, devises, or bequests therefore, and to acquire property by purchase or lease and to incur such obligations as may be necessary or convenient to carry out its purposes on a nonprofit basis.

ARTICLE III
MEMBERSHIP

Section 1. CLASSES OF MEMBERSHIP: The NEW MEXICO MINING ASSOCIATION shall be composed of several classes of membership, including the following:

1) Honorary Member: Individuals nominated by the Nominating Committee and voted upon by the General Membership in recognition of outstanding service rendered to the Association.

2) Individual Member: Individuals, either resident or nonresident in the State of New Mexico, and paying regular dues as hereinafter set forth;

3) Life Member: Individuals, either resident or nonresident in the State of New Mexico, who have a continuous membership status in the Association for ten years and are now fully retired;

4) Associate Member: Business firms not actively engaged in mining operations within the State of New Mexico.

5) Operator Member: Companies actively engaged in mining operations in New Mexico;

The Associate and Operator Members shall constitute the General membership, as defined in Article IX, Section 2.

Section 2. QUALIFICATIONS: Any individual, firm or corporation in good standing, who is permitted, engaged in mining or in a mining related field, may apply for and be elected to membership. Membership in this organization shall be continuous, subject to resignation or expulsion and payment of dues.

Section 3. DUES: The Board of Directors shall, by resolution, establish the amount of dues payable by each class of membership and may, by resolution, change the amount of dues payable by any class of membership when conditions necessitate.

Section 4. PAYMENT OF DUES: Dues are payable on or before January 1 of each year.

Section 5. DELINQUENT MEMBERS: Operator Members who have not paid their dues by June 30 shall be considered delinquent. The Board of Directors shall determine the appropriate action to be taken against delinquent Operator...
Members on a case by case basis. Individual and Associate Members whose dues have not been paid by March 31 of each year are delinquent.

ARTICLE IV
BOARD OF DIRECTORS

Section 1. CATEGORIES: The Board of Directors shall be composed of the following categories:

(1) Officers and:
(2) Voting members

Section 2. COMPOSITION: Each of the Commodity Committees designated in Article VII, Section 2 of these Bylaws shall be entitled to have up to two voting representatives on the Board of Directors. The Associate Members shall be entitled to have up to two voting representatives on the Board of Directors. Two voting representatives at large shall be elected by the General Membership from the Individual Membership. The immediate past president of the Board of Directors shall be a voting member. The Board of Directors shall include no more than one representative from any one Operator Member or Associate Member Company.

Section 3. TENURE OF OFFICE: Directors shall hold office for a term of one year or until their successors may have been elected or qualified, and may be reelected for successive terms. The duties of the Board of Directors shall be assumed immediately upon election and shall cease upon election of the succeeding Board of Directors.

Section 4. VACANCIES: If a vacancy shall occur in the Board of Directors for any reason, the remaining Directors shall, at their next meeting after said vacancy occurs, elect a qualified person to complete the unexpired vacant term. The Board of Directors may, by majority vote, declare a vacancy to exist on the Board when, upon showing of a good cause, it is determined that:

(1) a Director has severed his affiliation with the company, organization, or category which he was elected to represent; or
(2) the company, organization, or other unit category is no longer considered to be in good standing with the Association.
(3) a director commits an act, which rises to the level of malfeasance of office

Section 5. POWERS: The government of the Association, the direction of its work, and the control of its property shall be vested in the Board of Directors. It shall also name an Executive Director and fix his compensation.

The Board of Directors shall adopt rules and regulations, as necessary, for conducting the business of the Association. It shall formulate the policy of the Association and shall fix the budget under which the Association shall operate for each fiscal year. It shall review a full annual report of the work and finances of

The Association submitted by the Executive Director at the end of each fiscal year. In the conduct of its work, the Board of Directors shall meet not less frequently than quarterly.
ARTICLE V
FINANCIAL STRUCTURE

Section 1. Prior to the fourth-quarter quarterly meeting of the Board of Directors, for each fiscal year, the Executive Director shall prepare a budget of anticipated revenues and expenses for the ensuing fiscal year that he shall submit to the Board of Directors for revision and approval.

Upon approval of the budget by the Board of Directors, the Executive Director shall prepare the dues statements for all members and mail them on or before the beginning of the calendar year.

Section 2. ASSOCIATION FUNDS: All funds of the Association shall be deposited in its name in any bank in the State of New Mexico. The books of account of the Association shall be audited annually by a fully qualified accountant or accounting firm qualified to perform such service and approved by the membership.

ARTICLE VI
OFFICERS

Section 1. PRESIDENT: The President shall preside at all meetings of the Association and its Board of Directors. He shall perform the duties incident to his office and advise such action as may be deemed by him likely to increase the usefulness of the Association. He shall appoint such committees as are necessary to accomplish the objectives of the Association.

Section 2. VICE-PRESIDENT: The Vice-President shall act in all manners and with full authority in the absence of the President.

Section 3. IMMEDIATE PAST PRESIDENT: The Immediate Past President will assist the Board in matters of the Association and serve on committees as required. The Immediate Past President is a member of the Executive Committee and the Nominating Committee.

Section 4. EXECUTIVE DIRECTOR: The Executive Director shall be the chief administrative officer and secretary of the Association. It shall be the duty of the Executive Director to conduct the official correspondence, preserve all books, documents and communications, keep books of account, and to maintain an accurate record of the proceedings of the Association, Board of Directors, and all committees. He shall perform all such duties as may be incident to his office, subject to the direction of the Board of Directors, as so directed through the Executive Officers and/or Executive Committee. Operating within the established budget, the Executive Director shall employ such employees, including department heads, as may be necessary to carry on the affairs of the Association, and shall have the responsibility to decide their duties, hours, fix compensation and to discontinue such employment. He shall give bond for the faithful performance of his duties in such amount as the Board of Directors may determine. He shall submit to the Board of Directors at the end of the fiscal year a full annual report covering operations of the Association for that year. At the expiration of his term of office, he shall deliver to the Board of Directors all books, papers and property of the Association.
ARTICLE VII
COMMITTEES

Section 1. EXECUTIVE COMMITTEE. The Executive Committee shall consist of the President, Vice-President, two immediate Past Presidents and Executive Director. This committee has the authority to make decisions between the regular Quarterly Board Meetings as directed by the Board. Decisions of the Committee shall be forwarded to the Board members for information.

Section 2. NOMINATING COMMITTEE: At the annual meeting, the Board of Directors shall elect a Nominating Committee, which shall consist of one member from each of the active Commodity Committees. The immediate Past President of the Association shall serve as Chairman of the Nominating Committee. It shall be the duty of the Nominating Committee to select duly qualified candidates for the Board of Directors of the Association, in consultation with the various Commodity Committees, and to present its chosen candidates for election by the Association membership at the next annual meeting.

Section 3. COMMODITY COMMITTEES: There shall be five standing committees representing coal, non-ferrous metals, potash, uranium and industrial minerals. Membership in each committee shall be comprised of a representative, designated by the company for each Operator Member whose principal mining, or mining related activity, is in the category encompassed by the committee. Each committee shall select its chairman. Each of the Commodity Committees should meet as appropriate and should consider all matters which are of special concern to that particular commodity.

Section 4. ASSOCIATE MEMBER COMMITTEE: There shall be established a standing committee of the Association to represent its Associate Members. This committee is to be known as the Associate Member Committee and shall be comprised of single representatives designated by each of the Associate Member organizations. The committee shall select its own chairman, conduct such business as it see fit, and consider all matters of particular concern to its membership, as those concerns may effect the mining industry and the Association membership as a whole.

Section 5. CONVENTION COMMITTEE: The President shall appoint a Convention committee to plan and conduct the Association’s Convention to be held in conjunction with the annual meeting.

Section 6. EDUCATION COMMITTEE: The Education Committee will be a standing committee, responsible for facilitating and enhancing minerals education programs in New Mexico sponsored by the Association. The Education Committee shall also liaison with other groups involved in minerals education for teachers’ training and the general public to enhance and broaden on-going efforts in the State. The Education Committee shall work with the Executive Director to prioritize Minerals Education Foundation expenditures approved by the Minerals Education Foundation Board.

Section 7. ENVIRONMENT COMMITTEE: The Environment Committee will be a standing committee, responsible for reviewing and evaluation environmental issues in New Mexico that impact mining activities. The committee shall select its chairman and meet as appropriate. It should consider all environment matters which are of concern to Association members and routinely report to the Executive Committee and Board of Directors.

Section 8. HEALTH AND SAFETY COMMITTEE: The Health & Safety Committee will be a standing committee responsible for reviewing and
evaluating health and safety issues in New Mexico that impact mining activities. The committee shall select its chairman and meet as appropriate. It should consider all health and safety matters which are of concern to Association members and routinely report to the Executive Committee and Board of Directors.

Section 9. COMMITTEE FUNCTIONS: It shall be the function of the committees to investigate and make recommendations. They shall report in writing to the Board of Directors, through the Executive Officers. No standing or special committee shall represent the Association in advocacy of, or in opposition to, any project without specific authorization of the Board of Directors, or such confirmation as may be clearly granted under general power delegated by the Board of Directors to that committee.

Section 10. COMMITTEE MEETINGS: Committee meetings shall be held as often as needed at the call of the Chairman of each committee but no less than twice yearly.

Section 11. EX-OFFICIO COMMITTEE MEMBERS: The President, Vice President and Executive Director shall be ex-officio members of all committees.

Section 12. HALL of FAME COMMITTEE. The Hall of Fame will be a standing committee responsible to review and select inductees’ for recommendation to the Board of Directors. The Committee is also responsible to promote and encourage nominations to the Hall of Fame as well as ensure the current inductees are appropriately displayed at NMMA events. This committee will submit an annual budget to the Board for approval.

ARTICLE VIII
MEETINGS

Section 1. ANNUAL MEETING: The Association shall hold an annual meeting during each calendar year on such date and at such place as may be designated by the Board of Directors. The annual meeting may be held in cooperation with other trade associations in the mineral industry, if desirable to do so, or may be suspended by action of the Board of Directors in times of extreme emergency or duress.

The annual meeting shall be for the purpose of assembling the membership in convention to review Association activities, progress toward accomplishment of Association goals, election of a Board of Executive Officers, a Board of Directors, and resolution of any problems of direct concern to the Association and its membership.

It shall be a responsibility of the retiring President of the Association to preside over the annual meeting.

Section 2. SPECIAL MEETINGS: The President, Executive Committee or the Executive Director may call a special meeting of the Board of Directors.

ARTICLE IX
ELECTIONS

Section 1. EXECUTIVE OFFICERS: Officers of the Association shall be elected annually as follows:

(1) President: Shall be elected by General Membership as defined in Article X, Section 2, to serve a one-year term beginning with his election. The President may be elected to succeed himself one time, but shall not stand for re-
election again until two years have passed since he last served in the office of President.

(2) Vice-President: Shall be elected by General Membership as defined in Article X, Section 2, to serve a one-year term beginning with his election. The Vice-President may be elected to succeed himself one time, but shall not stand for re-election again until two years have passed since he last served in the office of Vice-President.

(3) Executive Director: Shall be named by resolution of the Board of Directors to serve a term of one year. The Executive Director for the following year shall be named at least one calendar quarter before the expiration of the current term of Executive Director. The Executive Director may serve as many successive terms as the Board of Directors shall deem appropriate.

Section 2. BOARD OF DIRECTORS: The Board of Directors shall be elected by the General Membership as defined in Article X, Section 2 during the annual meeting. The duties of the Board of Directors shall be assumed immediately upon election and shall cease upon election of the succeeding Board of Directors. Vacancies occurring on the Board of Directors during the course of the fiscal year shall be filled by the Board of Directors for the balance of the term of the vacancy.

ARTICLE X
VOTING

Section 1. BOARD OF DIRECTORS: Each board member shall be entitled to one vote at all meetings or transactions of the Board of Directors.

Section 2. GENERAL MEMBERSHIP: Each Operator Member and each Associate Member on the Board of Directors in good standing shall be entitled to cast one vote on all issues raised at the annual meeting or at any special meeting of the Association membership.

Section 3. MAJORITY: Simple majority vote in person or by telephone proxy shall prevail in all meeting of the Board of Directors; and each and every committee; and any regular meeting of the Association membership.

ARTICLE XI
FISCAL YEAR

Section 1. The fiscal year of the Association shall end December 31.

ARTICLE XII
QUORUM

Section 1. One-half of the members of the Board of Directors, or of any committee of the Association or its Board of Directors shall constitute a quorum for the conduct of business.

The Association membership in good standing present at the annual meeting shall constitute a quorum for the conduct of business at the annual meeting.
ARTICLE XIII
PARLIMENTARY RULES

Section 1. The proceedings of all Association meetings shall be governed and conducted according to the latest edition of Robert’s Manual of Parliamentary Rules, except as may otherwise be specified by these Bylaws.

ARTICLE XIV
DISSOLUTION

Section 1. In the event of the dissolution of this Association, all assets of the Association at the time of dissolution shall be donated to the New Mexico Institute of Mining and Technology and/or the New Mexico Bureau of Mines and Mineral Resources, to be used for minerals related programs.

ARTICLE XV
AMENDMENTS

Section 1. These Bylaws may be amended or altered only at the annual meeting of the Association or at a special meeting of the General Membership.

Adopted this 23rd day of September 2004, in Ruidoso, New Mexico.
